

GLOBAL PROCUREMENT & SUPPLY CHAIN SOLUTIONS

DIRECT
MANUFACTURING.
STRUCTURED GLOBAL
SOURCING.
WESTERN
ACCOUNTABILITY.

WHO WE ARE

FarKing (Est. 2008) is a strategic procurement company providing global sourcing, cost optimisation and full supply chain control across multiple industries with offices in:

Hong Kong | Shanghai | Hangzhou | Cape Town | Nairobi

We partner directly with factories, with our local offices negotiating domestic pricing across all sectors. We do not source through agents.

WHAT WE DO

Cross-sector sourcing with specialisation in:

- Packaging
- Glass- beverage & perfume industries
- Pharmaceutical
- Fragrance & personal care
- FMCG
- Construction Materials
- Retail Supply
- Garden & Nursery supplies
- Corporate & Luxury Gifting

CORE PROCUREMENT CAPABILITIES

- **Supplier Identification and Vetting-** Factory audits, compliance verification, capability assessment, risk profiling.
- **Strategic Sourcing & Tender Management-** RFQ/RFP management, competitive benchmarking & cost modelling.
- **Product Development & Custom Manufacturing-** OEM/ODM sourcing, tooling management, die lines, packaging engineering.
- **Quality Assurance & Compliance-** Pre-production samples, in-line inspection, final QC, International certification alignment.
- **Supply Chain Coordination-** Production planning, lead time optimisation, consolidation & freight alignment.

OUR MODEL

- Direct factory integration.
- In-country technical oversight.
- Transparent QC reporting.
- Long-term manufacturing partnerships.
- Western commercial structure with Asian execution precision.

WHY THIS MATTERS

- Direct manufacturing capability
- Global production scale
- Structured compliance and quality systems
- Improved commercial leverage
